All, I've asked the reporter to extend his deadline and to forward a list of questions. Also, I thought this might be a regular inquiry for OSWER, but Julia Valentine recommended routing through EOC. Handle as you see fit.

Thanks, R.

Subject: Gold King Mine inquiry

Hello,

I'm a journalist with onEarth magazine, a publication of the Natural Resources Defense Council. I'd like to write an explanatory piece on a basic question: How do government mine inspectors do their jobs? In all the coverage of the Gold King Mine incident, I don't feel this has been adequately addressed.

Is there someone at EPA available to talk me through this basic process? I'm on a deadline of tomorrow (Tuesday) at 2 pm Eastern time. You can reach me at this email or at 212-727-4643.

Thanks very much for your help.

Brian
